MEMORANDUM TO FILE

TO: File

FROM: Toni Loper, Public Utility Analyst

SUBJECT: In The Matter Of The Application Of Integrys Energy Services, Inc. For a Certificate to Provide Electric Supply Services Within the State of Delaware (Filed February 9, 2016) - PSC Docket No. 16-0176

On July 2, 2009 Suez Energy Resources NA, Inc. ("SERNA") filed an application ("Application") with the Delaware Public Service Commission ("Commission") seeking approval of a name change from Tractebel Energy Services, Inc.¹ certification as a retail electric supplier in the State of Delaware. The name change to SERNA was approved on April 11, 2005.² On August 6, 2008, SERNA had previously advised the Commission of a merger with Gaz de France SA forming the entity GDF Suez. On July 7, 2009 SERNA requested a name change to GDF Suez, the name change was approved in a staff memorandum on July 7, 2009.³

On February 9, 2016, GDF Suez Retail Energy Solutions, LLC ("GDF Suez"), requested a name change to ENGIE Retail, LLC d/b/a Think Energy to be effective immediately. In their filing, GDF Suez included the Delaware Secretary of State Certificate of Amendment evidencing the required filing of the name change with the Delaware Division of Corporations. GDF Suez advises that the request is a name change only and that there would be no impact on operations or ownership, and previous GDF Suez information, e.g. employee contacts, physical addresses, etc. would remain the same.

The GDF Suez Retail Energy Solutions, LLC request for a name change to ENGIE Retail, LLC d/b/a Think Energy appears to be reasonable and meets the requirements of the electric supplier rules in Regulation Docket No. 49. Staff, therefore, recommends the Commission accept the Application, and recognize the name change by GDF Suez Retail Energy Solutions, LLC to ENGIE Retail, LLC d/b/a Think Energy.
